SURFSIDE BEACH sat forwardly placed on the outside tracking the lone speedrunner down the backstretch, travelled two wide around the bend keeping her sights set on the frontrunner throughout, found more when switching leads at the furlong pole coming with a rally and drove past on the outside in the last sixteenth of a mile for the stretch running win. YOU SIGNED IT was fleet footed loose up top along the backside, rolled along unopposed through the turn while getting a slight breather, moved well still in control comfortably in mid-stretch on the fence but had no answer when the winner powered past outside in deep stretch while easily besting the field for the runners up share at the wire. RED HIGH HEELS was off very slowly being the distant trailer down the backside, continued to lag well behind the pack in the turn running, skimmed the fence turning for home seeing the field but had very good late energy inside through the stretch drive getting up right at the wire on the rail winning the show award. RED SYMPHONY veered in sharply on the break but recovered having the rail position watching the lead two runners, saved ground around the oval but the leader was getting away at the quarter pole, hugged the rail at the top of the lane, drifted out fading late at the sixteenth pole and was nabbed inside by a late charging foe for the third place share at the finish line. SIENNA AURA broke outwards brushing the gate on the start, settled three deep outside challengers having only the other poor starter beaten in the early stages, made little headway going three wide outside foes along the turn, showed some late interest closing in on the outside in the stretch drive but was on the wrong end of a three-way photo for the show money.
