QUIET MADDELENA was nudged on slightly getting the early advantage inside two others having the rail, dictated the pace taking the short way around the turn moved in hand going very comfortably, hugged the rail edging clear in upper stretch and won going away when roused for more at the furlong pole. GRETNA GREEN prompted the issue three deep on the outside, continued to press the pace outside two others while travelling three wide around the bend, posed the only threat for a fleeting moment in upper stretch but could not quicken with the front running winner at the furlong marker and just lasted at the wire saving the runners up share inside. MORE MONEY HUNNY was bumped by the outside rival at the break, settled into stride seeing the field down the backside at the four furlong marker, lagged behind making little headway on the turn shifting out at the quarter pole, angled to the four path starting to reach for more ground turning for home, shifted out further getting clear run five wide with a furlong left to run and found her best stride late charging in deep stretch just missing the nod outside for the place award. GIZMO'S B F F had a nice set-up isolated behind the contesting trio down the backstretch as well as throughout the turn, closed the gap making a run at the quarter pole, shifted two wide straightaway out for the drive to the wire but could only run on evenly inside of horses to be a fringe player in the end. JUST FOLLOW ME broke inwards on the start, settled on the outside close to the back having only one runner beaten with a half mile still to run, narrowed the margin going three wide initially on the turn, offered a brief turn of foot coming on briskly four wide around foes at the quarter pole, remained in the four path in the mix for a share in upper stretch but could not offer a finishing kick and flattened out in the final eighth of a mile. ROSIEPOSIE vied between runners down the backside for the front end, dropped away battling for the lead two wide unable to keep up to rivals on either side at the five sixteenths pole and had little left for the stretch drive folding between horses at the furlong marker.
