EUBANK settled on the outside sitting in midfield along the back straightaway, took aim closing in sharply three wide on the front twosome at the quarter pole, was in full flight widest in the four path at the head of the lane, powered past rivals by the sixteenth pole taking over control and won going away when crossing the finish line. CAN'T TIE ME DOWN kept a close eye on the engaged duo holding the rail position, chased the contesting duo two wide through the bend keeping pace by the quarter pole, moved to the four-path looking for a seam straightening out for home, darted to the rail getting a clear path at the furlong marker and surged inside in the late going o best the rest for the runners up share. MUNNYSTRUCK prompted the issue on the outside early on, continued to press the pace two wide outside the frontrunner in midturn, shifted to the three path getting a neck in front with runners on both sides at the top of the stretch, still was clinging onto the lead between horses with a furlong remaining but could not find more in deep stretch fading with seventy yards to go holding safely for the third place position at the wire. DWIGHT had a narrow advantage inside another while traveling in the two path down the backside, maintained a slim lead on the rail still moving comfortably in hand on the turn, surrendered the front end two wide turning for home inside three rivals and gave way in the two path between runners in the last sixteenth to be a fringe player in the end. SIDELOAD WILLIS was near the rear well in range of the front foursome down the backside, came under a drive but was going in the wrong direction with the lead quarter pulling away midway around the oval and could not factor in the drive to the finish line. BONGINO WARRIOR tossed its head right when the gates opened up then dwelt spotting the field by many losing all chance on the break, was well behind the group around the turn but did run on through the stretch drive almost getting to a rival in deep stretch.
