LOVEUMISSUMEANIT was well positioned on the fence rating kindly watching the front two foes in the first part of this two turn event, sat poised on the rail at the three eighths pole waiting for instructions from the rider when to go, moved out looming boldly three wide turning for home and when asked pounced outside at the furlong marker drawing away impressively for the victory in the late running. I'M TENACIOUS was fleet footed on the rail through the initial turn, continued up top dictating a slower tempo along the backside, spurted away once again at the quarter pole for a moment but could not fend off the overpowering winner outside in the final furlong but still running on well enough to easily best the rest for the runners up share at the wire. GO GIFFEN was I the outside if another close to the back, made no progression stuck behind runners on the rail midway down the back straight, crept up making a sharp move on the final bend inside of a trio of rivals at the quarter pole and ran on willingly just off the fence through the stretch drive being a distant third when crossing the finish line. AUSSIE HYPER shared the rear on the inside, improved between runners in the two path at the half, rallied two wide splitting foes leaving the quarter pole, angled out to the five path in with a chance for a piece of the prize at the head of the lane and ran on mildly down the stretch to be a fringe player in the end. MADAM GWEN hopped outwards then stumbled in the way down at the break, recouped to be three wide keeping tabs on the lead three rivals on the first of two turns, moved in three wide midway along the second bend to briefly make a bid outside the frontrunner by the quarter pole, could not continue fighting up top four wide in upper stretch and faded with horses on either side in the final eighth of a mile. PICKFORD SWEET was a joint ast to begin, travelled three deep still at the rear but well within striking distance with the field bunching up at the half with the pace slowing down, made little impression going three to four wide around the final turn and could not be a factor in the stretch drive. MORE MONEY HUNNY was in tight being squeezed between runners soon after leaving the gate, settled near the rear inside early on, advance three deep outside foes along the back straightaway, kept pace going three to four wide around the far turn, was floated out to the six path turning for home and tired outside of runners. MY GIRL SKY was up close tracking the line speed leader, moved in hounding the pace outside down the backstretch, could not quicken with the leaders retreating between runners while under a drive at the five sixteenths pole, was checked in tight surroundings three wide leaving the quarter po,e losing all run and was wrapped up on the fence by the furlong marker.
