C MY MEISTER rated kindly well in hand with runners on either side sitting in mid-division at the three quarters marker, patiently wait for cue to move on the fence at the three furlong pole, shifted out accelerating quickly in the eight path turning for home, powered past under a hand ride at the furlong moving smartly taking the lead and won in dominating fashion by many at the finish line. QUIET INTENT pressed the pace on the rail initially, took back slightly tracking inside at the midpoint of the backstretch, had the fence in the second flight moving comfortably around the bend keeping a close eye on the engaged duo, angled out getting a clear lane three wide at the three sixteenths pole, burst between runners making a bid for the lead at the furlong marker briefly bit could not quicken with the overpowering winner in the late stages still finish up well albeit a distant second best. BRITISH ARTILLERY had the fence sitting in midfield through the back straightaway, was under a snug hold watching the front foursome around the bend, shaved the corner picking up the bit, moved out to the five path get a clear lane at the furlong marker and charging home late getting up just before the wire for the show award. THIS DUDE A BREEZE was situated four deep outside foes in the third tier with six furlongs remaining, took closer order two wide tracking the contesting pair while outside another on the turn, bid four wide for the top spot in upper stretch but evened out in the last sixteenth of a mile being nabbed outside late for the third place share taking a minor placing instead. NINJA STAR was forwardly placed tracking the frontrunner outside in the beginning, chased the leader two wide around the oval, shifted to the four oath still in the mix at the quarter marker but faded three wide in the final eighth of a mile losing a couple of placings in deep stretch. LITTLE RED DOMI was roused up top with rivals on either side early down the back straight, maintained a slim lead saving all the ground on the turn, skimmed the fence clinging onto the front end with three sixteenths from the wire but could not find another gear late yielding to outside rivals at the sixteenth pole. ECHO WITH LAUGHTER he the rail position ahead of only two runners in the early stages, made no gain going three wide throughout the turn, angled to the six path looking for running room at the top of the lane and when getting clear failed to fire in final furlong. AMERICAN DECISION had the two path stalking the lead threesome moving between horses down the backside as well as throughout the turn, shifted to the five path for the stretch run but could only finish up one paced and could not get involved in the late going. POSTURING was unhurried trailing at the back when the field sorted itself out midway along the backside, continued to lag behind the group just off the rail around the bend, swung out widest to the ten path in upper stretch but could not get into contention through the stretch drive. JIM'S HOPE was allowed to settle into stride having only one runner beaten in the early going, took closer order going three to four wide throughout the turn, moved outwards to the eight oath with a quarter mile from the prize but had little to offer shifting inside through the drive finishing up on the rail in the end. TRUE SHOT settled in the middle of the pack while three deep, travelled three wide on the turn keeping pace but driven on to do so, angled out to the nine path turning for home but came up empty by the furlong pole. PRINCE OF THIEVES settled in the third flight between rivals with three quarters remaining, ran evenly holding his own three wide in the turn running, angled out nine wide at the top of the stretch but had nothing left to give folding between foes by the eighth pole.
